J. Soc. Occup. Med. (1991) **41**, 190–192

Referees 1991

The manuscripts we receive are seen by the Honorary Editor who sends them to two expert referees. We are most grateful to the following people who kindly reviewed papers for the Journal of the Society of Occupational Medicine in 1991. Without their expertise and generosity we would be unable to maintain the high standards for which we strive.
